

INVITATION TO JOIN SRI LANKA INVESTORS' COMMUNITY

Leisure | Healthcare | Sports | Higher Education | Strategic Real Estate

Selected invitation for professionals who can influence serious investors and high-net-worth individuals

Dear LinkedIn Associate,

I am pleased to invite you to be part of our selected Sri Lanka Investors' Community.

This community is created for trusted professionals, advisors and connectors who are well placed to introduce high-net-worth individuals, family offices and serious investors to Sri Lanka's next phase of opportunities.

Sri Lanka is well positioned for landmark investments in leisure, healthcare, sports, higher education and strategic real estate. These sectors can serve not only the local market, but also international students, medical visitors, wellness travellers and regional clients from the Maldives, India and other Asian countries.

Priority opportunity areas

- Leisure, hospitality and destination projects
- Healthcare and medical tourism facilities
- Sports, wellness and lifestyle destinations
- Higher education institutes and international campuses
- Strategic land, mixed-use and infrastructure-linked projects

INVESTMENT SCALE

USD 50M
to
USD 500M

Curated opportunities for serious investors

This is not a mass invitation. It is a professional invitation to connect, exchange ideas, feel the pulse and explore how Sri Lanka can be placed on the radar of your investor network.

Warm regards,

Vijay
